<sup>1</sup> Maximum LVR for Regional and Unclassified Postcode properties is 70%.

<sup>2</sup> Maximum LVR for Inner-City (75%), High Density and High Risk postcode properties is 80%.

### What are High Density Properties?

A high density property is a strata titled apartment which forms part of a development comprising more than 30 apartments in high density postcodes (see Postcode Matrix). A development can comprise more than one (1) tower to reach the 30 apartments. The following restrictions & conditions apply to this type of security:

- Maximum LVR is 80%.
- Maximum exposure is limited to 10% of the development.
- At least 2 of the comparable sales in the valuation report must be from similar apartments outside the actual development. Only resales within the complex should form part of the additional comparable sales.
- General commentary from the Valuer to be noted for such items as oversupply & two tier marketing if applicable.
- A minimum of 40m2 of actual living space excluding balconies, storage space and car spaces on property title.

### What are High Risk Properties?

The following restrictions & conditions apply to this type of security location:

- Maximum LVR is 80%.

### What are Inner-City Properties?

The following restrictions & conditions apply to this type of security location:

- Maximum LVR is 75%.

### What are Regional /Properties (Category 3)?

The following restrictions & conditions apply to this type of security location:

- Maximum LVR is 70%.
- Minimum town size population 5,000 or the property is within 25k radius of a major regional town with a population of 25,000.

### What are Unclassified Properties

If the Postcode is not identified on the accompanying Matrix, Mortgage Mart may still consider the security on a case-by-case basis with the following restrictions & conditions applying to this type of security location:

- Maximum LVR is 70%.
- Minimum town size population 5,000 pr the property is within 25k radius of a major regional town with a population of 25,000.

# ULTRA Programs Postcode Matrix

The following tables provide the Ultra program property postcode categories. Any postcodes that are not specified below are Unclassified. Mortgage Mart will assess applications for loans that provide a property as security in an unclassified location on a case-by-case basis.
