	require the option of a sub-offset account;			
	 require the ability to make unlimited extra repayments and access redraw; and 			
	 require the option of either principal and interest or interest only repayments. 			
	Variable Rate			
	Whilst variable interest rates may fluctuate, the product meets the likely objectives, financial situation and needs of consumers in the target market because it provides consumers with the ability to make additional repayments and/or deposit funds into a sub-offset account to reduce interest payable whilst retaining the ability to draw on those funds when required.			
	Fixed Rate			
	Whilst the product has a limit on additional repayments the product meets the likely objectives, financial situation and needs of consumers in the target market because the fixed rate provides certainty of repayments during the fixed period, making consumer budgeting easier.
